

MATT & ELLY: A CULINARY EXPERIENCE

With us, every creation follows nature – seasonal with a strong focus on local and sustainable products.

Our head chef and co-owner, Jarin Huber, brings his Basel roots together with international influences to the plate; surprising, creative, and always delicious. Co-owner Denise Furter and her service team complete the evening, attentive, yet relaxed with a true sense for detail. Storytelling included.

MATT & ELLY'S RECOMMENDATION:
